

Ondheim Theodish Fellowship

Winternights 2022

On October 8, 2022 The folk gathered at the home of Chris Thane to celebrate Winternights and Honor the Disir. The day began with Lunch and socializing, featuring some great conversations and the strengthening of our tribal bonds.

After lunch, Chris Thane held a workshop on Viking shields and how they were made, and then worked with the folk to make their own shields. At least one shield per roofree was made, and all sworn folk and thralls had their own to make. There is no better way to learn than by doing!

After the workshop, We moved on to preparing for ritual and the Disablot. It was a powerful ritual with much honor being given to the Ancestral mothers. Mead, Might, and Maegns were given to the Ancestors, Gods, and Wights, and we asked for their continued guidance and inspiration as we face the challenges of the coming year. Coupled with our promise of continued work and worthing to better bring honor to our tribe and family names. Strong omens were seen and the gifts appeared to be well accepted!

On to feast and Symbol went the folk! The feast was impressive, with Baked Ham, multiple different seasoned chicken dishes, from wings to legs to chicken Schnitzel and chicken Parm, roasted Pork Loin, and roasted potatoes. Truly a worthy feast. All ate their fill and the Gods/Ancestors plate was overflowing! After the feast, the winners of the Raffles were called led by Skylar and picked by the children of the tribe in the usual celebratory fashion... Symbol was held in the heall, and many good words were spoken and toasts made by the Folk and Guest's alike. It was touching, emotional, and inspirational throughout, culminating in one of the most powerful moments in Theodish symbol, the swearing and witnessing of a hold oath! It was at this Winternights that Erik Karl chose to plight his troth to Chris thane!

Hail The Ancestors, Gods, and Wights!

Hail the Folk!
